

**BEFORE THE BOARD OF SUPERVISORS OF THE  
CHEHALIS RIVER BASIN FLOOD CONTROL ZONE DISTRICT**

**APPROVING AN APPLICATION FOR A FLOOD CONTROL ) RESOLUTION NO. 25-005**  
**ASSISTANCE ACCOUNT PROGRAM GRANT TO OBTAIN ECOLOGY )**  
**APPROVAL OF AND PARTIALLY IMPLEMENT THE DISTRICT' )**  
**COMPREHENSIVE FLOOD HAZARD MANAGEMENT PLAN )**

**WHEREAS**, the Chehalis River Basin Flood Control Zone District (District) previously adopted a Comprehensive Flood Hazard Management Plan (CFHMP) through a public process with review from state agencies; and

**WHEREAS**, the Washington State Department of Ecology began, but did not finish, its review and approval of the CFHMP at that time through oversight; and

**WHEREAS**, there are Flood Control Assistance Account Program (FCAAP) grants now available that will fund completion of the Ecology approval process and partial implementation of the CFHMP, in the form of design improvements for the existing Centralia-Chehalis Airport levees mentioned in that plan; and

**WHEREAS**, the District has such design work in its plan for the 2025-2027 biennium to further environmental review of its project, and the additional FCAAP funding (for which the District's other funding may serve as match) will ensure that this work can be prioritized; and

**WHEREAS**, CFHMP approval by Ecology is also a prerequisite to other potential funding sources for flood damage reduction or flood inundation reduction projects mentioned in that plan; and

**WHEREAS**, the District's advisory committee considered and unanimously recommended that the District seek out funding for flood projects in the CFHMP not otherwise sufficiently funded, such as through the application for this FCAAP grant; and

**NOW THEREFORE BE IT RESOLVED** that the District approves applying for an FCAAP grant to obtain Ecology approval of the CFHMP and partially implement that plan through design improvements for the Centralia-Chehalis Airport levees. The District further authorizes that 25% of the cost of this work shall be paid from non-FCAAP-grant funds as a required match for this grant.

The foregoing resolution was ADOPTED by the Board of Supervisors of the Chehalis River Basin Flood Control Zone District at a regular open public meeting this 18<sup>th</sup> day of February, 2025.
